Add Drug Formularies for FREE Using Epocrates®!

If you are currently using Epocrates mobile or web-based drug references, you can add formularies for free.

To add formularies to your **mobile** drug reference:

1. Sign into "My Account" at www.epocrates.com.
2. Click "Edit Formularies."
3. Select your state (i.e., Florida) and a formulary category (e.g., health plans).
4. Click on the formularies you would like to add, click "Add," and then AutoUpdate. (Sync your device while connected to the Internet.)
5. Go to the Rx tab and choose a formulary to view formulary coverage.

To add formularies to your **web-based** drug reference:

1. Visit www.epocrates.com.
2. Click "Epocrates Online" at the top of the page and sign in.
3. Click on the DRUGS tab, click the "Select formulary" drop-down menu, and choose "[+] Add Formulary."*
4. Select your state (i.e., Florida) and a formulary category (e.g., health plans).
5. Click on the formularies you would like to add and click "add to list."
6. In the DRUGS tab, choose a formulary to view formulary coverage.

If you have questions or need assistance, call the Epocrates Help Desk at (800) 230-2150.

*If your facility is offering free access to Epocrates Online, you may not have permission to modify the formulary lists unless you are logged into your individual account.
